

# Bell Work

## 9. Jan 2017

**I. What career aspirations do you currently have?**

**II. List at least four (4) careers you are interested in be it becoming an electrician, artist, lawyers, business owner, engineer, military, or ?**

**EQ: What do my current educational choices and outcomes do in influencing my future aspirations?**

Objective:

Begin researching and collecting information about several careers our are interested in.

# Career Search

Individually or as a team of 2 use the internet to investigate three (3) careers. You will be following a handout on the class web page under homework sections

# Bell Work

## 10. Jan 2017

- I. In order for combustion (fire) two reactants are needed in addition to heat, one of these reactants is always present in any combustion reactions, what is it?
- II. Write the equation for the combustions of methane ( $\text{CH}_4$ ) gas?
- III. Balance the equations 😊

**EQ: What do my current educational choices and outcomes do in influencing my future aspirations?**

Objective:

Continue researching and collecting information about several careers our are interested in.

# Career Search Presentation

Each person in the group needs to create a short power point slide show to present to the class.

Must be emailed to Mr. Golden no later then **8:00am 11Jan2017** as a **.ppt file**.

Use the following as a guide

- **3-5 slides**
- **Convey the information you have looked up and recorded for one (1) job (per person) in as few words as possible.**
- **If you are using a source, make sure to cite the source.**
- **Include at least 1 image, with citations.**
- **One slide dedicated to why you choose that job/ career and a brief description of what you can do in the near future to move yourself toward that position.**

**1-2.5 minute in length.**

# Closure

- Demonstrate how to save a Google Slides file as a Microsoft Power Point file (.pptx)

Homework:

“Warm Up” table in nomenclature tutorial, Due 11-Jan.17

Career Presentation slide show, email by 8:00am 11-Jan as a .ppt or .pptx file.
